

Wall Street is forecasting the Life Settlement Industry to grow to more than **100 billion dollars** in the next few years.

**It's your move.**

Milestone Providers will help your clients find the value of a lifetime.

*At Milestone we look at things a little differently.*

We are constantly examining the market to ensure we stay ahead of the curve. We've set ourselves apart from the competition with features like "Full Disclosure", our "No Policy Left Behind" program, and our life settlement acquisition/management software. We know the market, we know the buyers, and we know how to fulfill the needs of your clients. Milestone will help your clients find the best possible value for their policies in the shortest amount of time—period.

*Milestone's mission is to offer life settlement services to the industry while maintaining the highest degree of integrity, dignity and fairness. Milestone has built and maintained a sterling reputation in the industry, and is dedicated to maintaining this reputation. Milestone has also dedicated itself to giving ten percent (10%) of its pretax income to philanthropy and charitable causes.*

*We didn't create the life settlement market... we fixed it.*
